

An evening of drinks, dinner and conversation under the stars, Wine & Roses spotlights the floral splendor of the LSU AgCenter Botanic Gardens at Burden. Guests mingle, sip on cocktails and sample hors d'oeuvres on the lawn of the Steele Burden Memorial Orangerie while listening to a jazz trio. The crisp fall air fills with the perfume of thousands of roses as lanterns illuminate the garden paths, creating an elegant, ethereal ambience. As night falls, guests savor a gourmet dinner and fine wines while surrounded by blooming flowers.

Hosted each October by the Friends of the LSU AgCenter Botanic Gardens at Burden, this fundraiser remains one of the most sought-after affairs in town.
